

Power and connectivity solutions for healthcare

Pharmacy and retail locations

Eaton offers a full line of products for every healthcare environment. See how Eaton solutions fit into pharmacy and retail locations.

Power

Medical-grade power strip*

Distribute power to movable plug-connected components mounted to IV poles, mobile carts, crash carts and mobile medical workstations.

Protect

Medical-grade UPS system

Provide a continuous flow of power to critical systems. A built-in isolation transformer offers full isolation for patient safety.

Connect

Display and digital signage

Eaton offers a full line of pro AV connectivity solutions, including splitters, switches, extenders, adapters and cables, to support digital signage, video conferencing and display applications.

Charge

Hospital-grade charging station*

Store, charge and sanitize tablets or laptops. UVC light technology helps disinfect devices without the use of damaging heat or chemicals. Cart and wall-mount models are available.

House

Wall-mount enclosure

Secure and organize IT equipment in locations with limited floor space.

Mount

Monitor wall mount*

Securely mount flat-panel television screens or monitors on a wall. Security models have locks to deter theft. All mounts support VESA mounting hole patterns.

Desktop monitor mounts*

Elevate monitors to save space and optimize viewing angles to improve ergonomics and ease eye fatigue. Freestanding, desk-clamp and grommet mounts are available.

Locking tablet stand

Secure tablets at check-in areas. An anti-theft mechanism with key lock helps protect tablets from unauthorized access.

Mobile workstation

Roll printers, laptops, UPS systems and other workstation essentials from one room to another.

*To promote a healthier environment for patients and staff, Safe-IT™ antimicrobial and antibacterial options are available for select models.
